To Mr. Peter Mylonas – Australia

The Portuguese Federation of Lohan Tao Kempo - FPLK, at Av. Infante D. Henrique, 2500 – 918 Caldas da Rainha – Portugal, ID Number 510198341, comes and declare that the WAC 2024, EKC 2024 and EAKC 2024, have been cancelled for reason out of FPLK / IKF / WAC / ICKF control.

The Local Organization noncompliance for needed Contracts, Insurances, Finances, Staff. The Local Government Contracts and Sports Government Contracs were not assumed, as such we were made to take this big decision, all Boards decided on Cancellation of the 3 events. The AMA organization of this event, failed all of us.

The Board of Directors of FPLK, IKF, ICKF meet and decided that the event was in risk and was no longer safe to be organized with conditions and quality.

We hope you can change tickets for April 2025, we will help and support in all we can.

We are very sorry for this, it was not an easy decision at all.

Caldas da Rainha, 18 de junho de 2024.

Presidente FPLK

Vera Maria e Silva de Sousa Rebelo
