Tournament Greetings & Welcome

It is my great honour to extend a warm welcome to all competitors, officials, and guests attending the 2026 Kempo Genbu Ryu Karate Championships, as we celebrate the 30th Anniversary of this outstanding international event.

Over the past three decades, these championships have grown into one of Australia's respected international karate events, bringing together practitioners from many styles and countries in the true spirit of Budo. This milestone reflects years of dedication, discipline, and commitment to the martial arts.

*On this special occasion, I offer my sincere congratulations and full support to **Peter Mylonas - Kancho**, whose leadership, vision, and lifelong dedication to the true essence of Budo have made this event possible. Through his passion for the martial way, he has created not only a championship but a community that continues to inspire generations of martial artists.*

It is always a privilege to stand alongside Kancho Mylonas in his dojo and share in this tradition. His love for the art and commitment to developing martial artists is reflected in each of you gathered here today.

*While the competition will be strong, we must remember that the path of a true Budo-ka is not measured by victory alone. True strength is shown through **honour, humility, respect, and self-discipline**. Compete with determination, but always show respect to your fellow practitioners both on and off the mat.*

Although we come from many different schools of Budo, we are united by the same goal: continuous self-improvement through discipline, perseverance, and mutual respect.

*Remember that **attitude and ability are two different things**. Ability develops with time, training, and dedication, but your attitude defines the martial artist you become.*

Train hard, compete with honour, and support one another in both victory and defeat. The way of Budo is a lifelong journey of learning, growth, and striving to become better each day.

Congratulations to all competitors, and my best wishes for a successful and memorable 2026 Kempo Genbu Ryu Karate Championships – 30th Anniversary.

OSU!

Welcome

ようこそ

*On behalf of the entire **Kempo Genbu Ryu International Organisation**, I extend a warm welcome to all competitors, officials, families, and honoured guests as we gather for the **2026 Annual Event and celebrate the 30th Anniversary of these championships**.*

*This important milestone marks three decades of dedication to martial arts excellence and the enduring spirit of Budo. It is a great pleasure to welcome participants representing many martial arts traditions, with dojo representatives from **Japan, Sri Lanka, Greece, PNG, India, and Australia**, all united through the shared values of discipline, respect, and the warrior spirit.*

*It is with deep respect that I once again welcome my mentor and senior brother, **Yoshiji Soeno - SOSUI**, founder of **Shidokan** and widely known as the “Tiger of Kyokushin.” His presence, together with the dedicated team travelling from Japan, is a great honour for us all. I also extend my sincere appreciation to our distinguished guests and VIPs for joining us on this special occasion.*

*The essence of **Budo — the warrior’s way** — remains the heart of this event. As we watch the competition unfold, let us remember that martial arts is far more than physical technique. It is a lifelong journey of self-improvement, discipline, and personal responsibility.*

*To all athletes competing today, I wish you every success. Compete with courage and determination, but always demonstrate the values that define our art — **respect, humility, and honour**. Let today be about more than rankings or trophies. Let it be about becoming stronger in character and supporting those around you through your dedication.*

I would like to extend my sincere thanks to the students, families, and supporters of Kempo Genbu Ryu whose commitment makes this event possible. Your continued support allows our dojo to host this important gathering and to share the true spirit of Budo with practitioners from around the world. I also thank our friends from other martial arts schools for their ongoing friendship and collaboration.

*Selected athletes from today’s competition will have the opportunity to compete at the prestigious **Shidokan All Japan Championships** later this year in Japan.*

Finally, my sincere appreciation goes to the referees, judges, officials, and volunteers whose dedication ensures the success of this championship.

*Thank you all for being part of this special **30th Anniversary celebration**.*

Osu.
